Looking after generations of
Plymouth's children since 1989

No Smoking Policy

It is my policy to ensure that children are in a smoke-free environment whilst in my care.

In order to do this I will ensure that:

- No-one smokes at all in my house.
- No-one smokes at all in my garden when the children in my care are present or about to be present. If smoke from a neighbouring garden encroaches over the fence I will move the children back indoors until the smoke is no longer present.
- On any occasion the children visit private homes of other childminders for socialisation and play opportunities I always ensure that these homes are smoke-free too.
- When away from the setting on an activity or outing I will endeavour to keep the children away from where other people are smoking anything where practical to do so.
